

Mathcation 2022

Surf into Summer

Sit back & relax as you dive into instructional strategies that support fluency development in Grades K-5. Better yet, travel with a group of colleagues and learn together!

Your Mathcation includes:

- Fluency activities and strategies to use with students
- Fluency resource book (valued at \$30)
- Certificate of Attendance
- One hour of graduate credit at an additional cost (optional)
- Lunch both days & Mathcation swag

Dates:

July 19-20 **or** August 3-4
9am-3pm

Cost: \$199

Payment can be made by Purchase Order, Check or Credit Card. Be sure to check Building or District Professional Development Funds to help cover the cost of the session.

*Note: If you participated in the on-demand version of Mathcation 2021, this information will be the same. We still encourage you to attend to deepen your conversations and strategies with an in-person session.
