

TRAIL POST 5

GONE FISHING

Grab your bucket and head to the pond! Get ready to do a favorite camp activity - fishing!

Count your fish and represent how many fish you caught.

How many fish would be in your bucket if you caught 2 more fish?

How many fish would be in your bucket if you put 1 fish back in the pond?

TRAIL POST 5

Be sure to show your thinking on how you got your answers!

Camper Alex caught 3 green fish and 3 blue fish. How many fish did Alex catch?

Did you catch more or less fish than Alex? Show your thinking with a picture.
