During Fractions Boot Camp

- Engage in an in-depth study of fraction concepts consistent with the content and intent of the Common Core State Standards for Mathematics.
- Discuss learning progressions in mathematics for fractions.
- Develop a deeper understanding of assessment and how to use it to guide instruction.
- Receive a valuable resource book and classroom activities.
- Learn research-based instructional strategies for the teaching of fractions.

Benefits

- Optional graduate credit for face-to-face sessions will be available.
- Experience rich lessons and assessment strategies and receive classroom resource materials.
- Learn new research-based instructional strategies and techniques for fraction instruction.

Session Information

- Choose one summer session to attend: July 25-27 **OR** August 8 -10, 2012.
- Both sessions will run from 8:30 – 3:30 at Ashland University – Columbus Campus (tentative).
- A confirmation letter with additional information will be mailed prior to the session.
- Each session is limited to 30 participants

What is the Cost to Attend?

- The cost for the three-day summer session is $225 and includes a notebook, resources, and a light lunch.
