

GEOMETRY UNLOCKED

JUNE 29-30 2020
9:00 AM-4:00 PM

3 to 5

**Are you a Grades 3-5 teacher looking to uncover *KEY* ideas in Geometry?
Join us for this thrilling session and *UNLOCK* lesson ideas for your classroom!**

*TLC's **Unlocked PD Experience** will challenge your critical thinking skills as you solve puzzles, unlock clues and learn about student thinking and understanding in mathematics. Prepare for a highly engaging session which will reward you with strategies and resources when you succeed in unlocking the mystery!*

Explore the integration of geometry as it relates to other mathematical concepts.

Analyze student work and determine next steps in instruction for your classroom.

The cost to attend is \$169.* Payment can be made by check, credit card or purchase order to TLC. Register for the session using the link below and additional information will be sent upon confirmation. *The cost includes lunch on both days of the session.

Register by May 15th using the following link:
